ABOUT US

Soni Dies Makers - Jewelry Making Stamping Dies

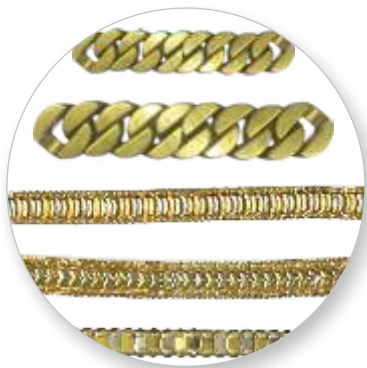

GOLDSMITHS - This has been the profession of our Ancestors since 1972. The skills that go into the making of this profession have been handed down the line of hierarchy. Naturally, these skills have been continuously polished over the years and the end result is definitely outstanding. Our Forefathers started off with manufacturing small utility Dies, but today we can proudly state that we have manufactured more than 2500 types of stamping Dies.

We are basically one of the leading Manufacturers/Exporters of all kinds of jewelry making Stamping Dies for the last 45 years. Today, we are exporting different models of Jewelry Making Stamping Dies to various companies both in the national and international market.

Our Tool room includes the latest CNC Machineries and an ultra-modern R & D Division with all the latest equipment. Hence we are now on the threshold of being recognized as one of the leading manufacturers of Jewelry Stamping Dies & Equipments in India.
