ABOUT US

Soni Enterprise are manufacturers and exporters of all kinds of Jewellery Dies, Tools and Machinery since last 4 decades. Our Brand name is '**SONI**' which literally means Goldsmith since our forefathers have been in this profession for almost a decade. We have a modern and hi-tech infrastructure to provide comfort-zone under one roof. You will find exactly the right kind for dies, tools and machinery for all your jewellery making needs with best quality and affordable pricing structure. Both our Office and Factory are based in Borivali West in the Metropolitan city of Mumbai, India and our office is easily accessible through all modes of transport. It is our constant endeavour to make more improvements in our jewellery making products. We have made a niche for ourselves in the world of jewellery. We never compromise on quality of our products and offer the best to our customers. We have also participated in many National Jewellery Expos viz. India International Jewellery Show – (IIJS) , Gem & Jewellery India International Exhibition (GJIIE), Kerala Gems & Jewellery Show (KGJS), India Gem & Jewellery Machinery Expo (IGJME) and also many international Expos viz. Vicenzaoro show (Italy), Hong Kong Jewellery & Gem Fair, Veitnam International Jewellery Fair (VIJF), Istanbul Jewellery Show (IJS), etc.
